

Cookie Policy

Effective January 24, 2019

ProLocalis (ProLocalis Oy) uses several tools from third party suppliers. Third parties also set cookies on their websites which use cookies to ensure effective delivery of websites. ProLocalis (ProLocalis Oy) will not use cookies to collect personal information about You. However, if You wish to restrict or block the cookies which are set by ProLocalis (ProLocalis Oy) You can do so in Your browser settings or by using opt-out services which are detailed below. For more information on how to set Your browser cookie restrictions, please refer to Your browsers help function. Please be aware that restricting cookies will seriously restrict the functionality of Our websites.

Types of Cookies

Our cookies can be broken down into five (5) distinct categories. If you are primarily concerned about third party cookies generated by advertisers, you can turn these off by going to <http://www.youonlinechoices.com>

See our cookie list below.

Performance

We use several tools to help Us assess and improve the performance of Our websites. In certain circumstances, these tools will utilize cookies to anonymously track a User's path through Our websites. This gives Us valuable information to help Us improve Your user experience.

Functionality

Sometimes We deploy enhancements to Our websites to provide increased functionality using third party services. These enhancements could include providing Users with related content both within Our sites and via external links. In addition, We provide easy to use share buttons to enable Users to quickly share content via social networks. These services can deploy cookies to track content that is relevant to You, so We can provide You with a better and more personal service.

Advertising

We use cookies to serve You with advertisements that are relevant to You rather than ones that are not. This means that if You are viewing articles and content related to mobile phones, then the adverts You see also be related to mobile phones or related products or services. In this way, We are able to offer You advertising for offers and products that are relevant to Your specific needs at the correct time. We don't need complex solutions for complex problems, that's why we design simple solutions for complex problems. All our products and services are to help make our lives a little easier but also to make it more fun at the same time.

Security

We are committed to ensuring that Your information is secure. In order to prevent unauthorized access or disclosure, We have put in place suitable physical, electronic and managerial procedures to safeguard and secure the information We collect online.

Analytics

We use analytic cookies to see what our readers are used to view on our web-sites. These cookies allow Us to see what devices, browsers connection types are used. These cookies help Us when we are updating the site or adding features to the site to improve Your user experience.

The Cookies We use last from 30 minutes to 2 years. Some of the cookies that We use will be removed from your computer or mobile device when You close the browser.

Third Party Cookies We Use

If You would like more information about the cookies used by Us and third-party services, as well as information on how to opt-out, please see details and individual privacy policies listed below.
